## Report of Principal and School Improvement Council

Saluda Middle School marked the sixth year of our literacy initiative. Language Arts and Special Education teachers are currently engaged in ongoing, district-wide professional development regarding literacy, reading, and writing strategies. All faculty members have also received intense, ongoing training in writing across the curriculum and using Thinking Maps. For the fourth year in a row, over 86% of students passed the writing portion of PACT in grades six, seven, and eight. We scheduled professional development and book studies for teachers geared towards research-based reading strategies that have been proven to help adolescents. Guided Reading instruction continues to be implemented based on the reader's text level to address strengths and weaknesses in literacy. Monies were spent to enrich our literature resources in our Media Center. Academy Time was continued as an extra class period where students were scheduled for intense reading and/or math instruction at the students' levels.

We continued with a second computer literacy course and offered keyboarding for high school credit. Staff members were trained in integrating technology with the use of interactive whiteboards. Our science and social studies teachers spent the year working on professional development regarding curriculum and creating standards-based assessments that are used to guide instruction.

The PTA was instrumental in assisting the school with various functions related to helping our students. Throughout the year, the PTA held several business meetings in conjunction with other school functions such as dances and book fairs. For the second time, our PTA sponsored a huge fundraiser which involved the High School Rodeo Association which was very successful. Over 300 family members attended two extremely successful parent nights involving our curriculum standards.

Before and after school, SMS held the following extracurricular activities: chess club, Project MIND (Math Is Not Difficult), BETA club, drama club, poetry club, athletics, and Fellowship of Christian Athletes. Two students were identified as South Carolina Junior Scholars; and 13 students were identified as academically qualified to participate in the Duke University Talent Identification Program.

HOSTS (Helping One Student To Succeed) was implemented for the sixth year at SMS and involved having mentors from the community volunteer with seventh grade math students who would benefit from the one-on-one interaction for academic support. As a result, over 91% of our seventh graders passed the Math portion of PACT. All students were given the opportunity to participate in job shadowing and career awareness programs. With the assistance of our new Career Development Facilitator, over 300 students benefited from venturing out into the community to get a firsthand look at the job market. In addition, we held multiple career days sponsored by Piedmont Technical College and local business leaders and community members.

School Adequate Yearly Progress

NO

This school met 17 out of 25 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

\* Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

School Improvement Status

School Improvement Key	
NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanction: Implement the restructuring plan.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
